In April 2015 Public Sector Audit Appointments Ltd (PSAA) issued “Statement of responsibilities of auditors and audited bodies 2015-16”. It is available from the Chief Executive of each audited body and via the PSAA website (www.psaa.co.uk)

The Statement of responsibilities serves as the formal terms of engagement between appointed auditors and audited bodies. It summarises where the different responsibilities of auditors and audited bodies begin and end, and what is to be expected of the audited body in certain areas.

The ‘Terms of Appointment from 1 April 2015’ issued by PSAA sets out additional requirements that auditors must comply with, over and above those set out in the National Audit Office Code of Audit Practice (the Code) and statute, and covers matters of practice and procedure which are of a recurring nature.

This Audit Results Report is prepared in the context of the Statement of responsibilities. This report is intended solely for the use of the Members of the audited body. We, as appointed auditor, take no responsibility to any third party.

1. Executive summary

The National Audit Office's Code of Audit Practice (the Code) requires us to report to those charged with governance – the Police and Crime Commissioner and the Chief Constable – on the work we have carried out to discharge our statutory audit responsibilities together with any governance issues identified. This report summarises the findings from the 2016/17 audit which is substantially complete. It includes messages arising from our audit of your financial statements (which comprise those for the Police and Crime Commissioner Group and those for the Chief Constable) and the results of the work we have undertaken to assess your arrangements to secure economy, efficiency and effectiveness in your use of resources.

Below are the results and conclusions on the significant areas of the audit process.

Status of the audit	<p>We have substantially completed our audit of the financial statements of The Police & Crime Commissioner for Leicestershire and the Chief Constable for Leicestershire for the year ended 31 March 2016. Subject to satisfactory completion of the below we will issue an audit opinion in the form which appears in Appendix F:</p> <ul style="list-style-type: none"> • Receipt and review of assurance letters from the pension fund auditor • Review of the final version of the financial statements • Completion of subsequent events review • Receipt of the signed management representation letter <p>We have performed the procedures outlined in our Audit Plan and anticipate issuing an unqualified opinion on the Authority's financial statements.</p> <p>We expect to conclude that you have put in place proper arrangements to secure value for money in your use of resources.</p> <p>We are to complete the procedures required by the National Audit Office (NAO) regarding the Whole of Government Accounts submission.</p> <p>We expect to issue the audit certificate at the same time as the audit opinion.</p> <p>We would like to also mention that the quality of working papers produced to support the financial statements have been very good and the finance team have proactively helped the audit team to deal with any queries they have had. We have had a good working relationship with the finance team, something we intend to build on future year audits.</p>
Audit differences	There are no unadjusted or adjusted audit differences.
Scope and materiality	<p>In our audit plan presented at the 23 February 2016 JARAP Committee meeting, we communicated that our audit procedures would be performed using a materiality of £4.006m for group, £2.116m for the PCC, £2.036 for the CC and £0.979m for the Police Pension Fund. We have reassessed this based on the actual results for the financial year and we have decreased these amount to £3.887m for the group, £1.956M for the PCC, £1.948M for the CC and increased the materiality for the Police Pension Fund to £1.118M. We have deemed that the movement on the financial outturn compared to prior year was</p>

significant to require a reassessment of materiality.

The threshold for reporting audit differences which impact the financial statements has also been reassessed to £192k for the group, £98k for the PCC, £97k for the CC and £56k for the Police Pension Fund.

We also identified the following areas where misstatement at a level lower than our overall materiality level might influence the reader. For these areas we developed an audit strategy specific to these areas, the areas identified and audit strategy applied include:

- Remuneration disclosures including any severance payments, exit packages and termination benefits
- Related party transactions

We carried out our work in accordance with our Audit Plan with no amendments to scope.

Significant audit risks

We identified the following audit risks during the planning phase of our audit, and reported these to you in our audit plan:

- Risk of fraud in revenue and expenditure recognition
- Risk of management override.

The 'addressing audit risks' section of this report sets out how we have gained audit assurance over those issues.

Other reporting issues

We have no other matters we wish to report.

Control observations

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements of which you are not aware.

We would like to take this opportunity to thank the' Office of the Police and Crime Commissioner's staff and the staff of the Chief Constable for their assistance during the course of our work.

2. Responsibilities and purpose of our work

The Responsibilities of the Police and Crime Commissioner (PCC) and the Chief Constable (CC)

The PCC and CC are responsible for preparing and publishing their Statement of Accounts, accompanied by the Joint Annual Governance Statement (AGS). In the joint AGS, the PCC and CC report publicly on the extent to which they comply with their own code of governance, including how they have monitored and evaluated the effectiveness of their governance arrangements in the year, and on any planned changes in the coming period.

The PCC and CC are also responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Purpose of our work

Our audit was designed to:

- Express an opinion on the 2016/17 financial statements of the PCC Group, the PCC and the CC together with the consistency of other information published with them;
- Report on an exception basis on the Joint Annual Governance Statement;
- Consider and report any matters that prevent us being satisfied that the PCC and CC had put in place proper arrangements for securing economy, efficiency and effectiveness in their use of resources (the value for money conclusion); and
- Discharge our statutory duties and responsibilities as established by the Local Audit and Accountability Act 2014 and Code of Audit Practice.

In addition, this report contains our findings related to the areas of audit emphasis and any views on significant deficiencies in internal control or the PCC and CC accounting policies and key judgments.

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

3. Financial statements audit

Addressing audit risks

We identified the following audit risks during the planning phase of our audit, and reported these to you in our Audit Plan. Here, we set out how we have gained audit assurance over those issues.

A significant audit risk in the context of the audit of the financial statements is an inherent risk with both a higher likelihood of occurrence and a higher magnitude of effect should it occur and which requires special audit consideration. For significant risks, we obtain an understanding of the entity's controls relevant to each risk and assess the design and implementation of the relevant controls.

Significant Risks (including fraud risks)	Audit procedures performed	Assurance gained and issues arising
<p>Risk of management override</p> <p>As identified in ISA (UK and Ireland) 240, management is in a unique position to perpetrate fraud because of its ability to manipulate accounting records directly or indirectly and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. We identify and respond to this fraud risk on every audit engagement.</p>	<ul style="list-style-type: none"> • Tested the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements • Reviewed accounting estimates for evidence of management bias; and • Evaluated the business rationale for any significant unusual transactions 	<p>No significant issues identified from audit procedures. Sufficient assurance obtained to conclude balances are free from material misstatement.</p>
<p>Risk of fraud in revenue recognition</p> <p>Under ISA240 there is a presumed risk that revenue may be misstated due to improper recognition of revenue.</p> <p>In the public sector, this requirement is modified by Practice Note 10, issued by the Financial Reporting Council, which states that auditors should also consider the risk that material misstatements may occur by the manipulation of expenditure recognition.</p>	<ul style="list-style-type: none"> • Reviewed and tested revenue and expenditure recognition policies; • Reviewed and discussed with management any accounting estimates on revenue or expenditure recognition for evidence of bias; • Developed a testing strategy to test material revenue and expenditure streams; and • Reviewed and tested revenue cut-off at the period end date. 	<p>No significant issues identified from audit procedures. Sufficient assurance obtained to conclude balances are free from material misstatement.</p>

We also identified the following audit risks during the planning phase of our audit, and reported these to you in our Audit Plan. Here, we set out how we have gained audit assurance over those issues.

Other Risks	Audit procedures performed	Assurance gained and issues arising
<p>Joint Arrangements</p> <p>The PCC/Group participates in collaborative arrangements with Nottinghamshire, Derbyshire, Lincolnshire and Northamptonshire. There is a risk that expenditure is not correctly allocated to the right police force.</p>	<p>Review the underlying allocation of expenditure in the financial statements against agreements in place.</p> <p>We have tested transactions to ensure that they are correctly recorded in the financial statements and costs are correctly apportioned to other Local Police Bodies as appropriate.</p>	<p>No significant issues identified from audit procedures. Sufficient assurance obtained to conclude balances are free from material misstatement.</p>

Opening balances

We have performed relevant audit procedures on the Council's opening balances and have obtained assurance that they are free from material misstatement.

We had no further observations or matters to report relating to the opening financial position as at 1 April 2015.

Other matters

As required by ISA (UK&I) 260 and other ISAs specifying communication requirements, we are required to communicate to you significant findings from the audit and other matters that are significant to your oversight of the PCC and CC financial reporting process, including the following:

- Qualitative aspects of your accounting practices; estimates and disclosures;
- Matters specifically required by other auditing standards to be communicated to those charged with governance. For example, issues about fraud, compliance with laws and regulations, external confirmations and related party transactions;
- Any significant difficulties encountered during the audit; and
- Other audit matters of governance interest

We have no matters we wish to report.

Control themes and observations

It is the responsibility of the PCC and CC to develop and implement systems of internal financial control and to put in place proper arrangements to monitor their adequacy and effectiveness in practice. Our responsibility as your auditor is to consider whether the PCC and CC have put adequate arrangements in place to satisfy themselves that the systems of internal financial control are both adequate and effective in practice.

We have adopted a fully substantive approach and have therefore not tested the operation of controls.

We have not identified any significant deficiencies in the design or operation of an internal control that might result in a material misstatement in your financial statements of which you are not aware.

We have reviewed the Joint Annual Governance Statement and can confirm that it not misleading or inconsistent with other information forthcoming from the audit or our knowledge of the PCC and CC.

Request for written representations

We have requested a management representation letter from both the PCC and CC to gain management's confirmation in relation to a number of matters, as outlined in Appendix G.

Whole of Government Accounts

Alongside our work on the financial statements, we also review and report to the National Audit Office on your Whole of Government Accounts return. The extent of our review and the nature of our report are specified by the National Audit Office.

We are currently concluding our work in this area and will report any matters that arise to the JARAP.

4. Value for money

We are required to consider whether the PCC and CC have put in place 'proper arrangements' to secure economy, efficiency and effectiveness in their use of resources. This is known as our value for money conclusion.

Proper arrangements are defined by statutory guidance issued by the National Audit Office. They comprise your arrangements to:

- ▶ Take informed decisions;
- ▶ Deploy resources in a sustainable manner; and
- ▶ Work with partners and other third parties.

Overall conclusion

We did not identify any significant risks in relation to these criteria.

We have performed the procedures outlined in our audit plan. We did not identify any significant weaknesses in the arrangements of the PCC and CC to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people

We therefore expect to conclude that you have put in place proper arrangements to secure value for money in your use of resources.

The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

This report is made solely to the Police and Crime Commissioner for Leicestershire in accordance with Part 5 of the Local Audit and Accountability Act 2014 and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Police and Crime Commissioner for Leicestershire, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the Chief Finance Officer and auditor

As explained more fully in the *Statement of Responsibilities for the Accounts* set out on page 7, the *Chief Finance Officer* is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16, and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board’s Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Police and Crime Commissioner for Leicestershire and Group's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Chief Finance Officer; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Financial Report 2015/16 to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the financial position of the Police and Crime Commissioner for Leicestershire and Group as at 31 March 2016 and of its expenditure and income for the year then ended; and
- have been prepared properly in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

Opinion on other matters

In our opinion, the information given in the Annual Financial Report 2015/16 for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we report by exception

We report to you if:

- in our opinion the annual governance statement is misleading or inconsistent with other information forthcoming from the audit or our knowledge of the Council;
- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make written recommendations to the audited body under Section 24 of the Local Audit and Accountability Act 2014;
- we make an application to the court for a declaration that an item of account is contrary to law under Section 28 of the Local Audit and Accountability Act 2014;
- we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects

Conclusion on the Police and Crime Commissioner’s arrangements for securing economy, efficiency and effectiveness in the use of resources

Police and Crime Commissioner’s responsibilities

The Police and Crime Commissioner is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor’s responsibilities

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Police and Crime Commissioner has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the National Audit Office (NAO) requires us to report to you our conclusion relating to proper arrangements.

We report if significant matters have come to our attention which prevent us from concluding that the Police and Crime Commissioner has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority’s arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We have undertaken our review in accordance with the Code of Audit Practice, having regard to the guidance on the specified criterion issued by the Comptroller and Auditor General (C&AG) in November 2015, as to whether the PCC had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people. The Comptroller and Auditor General determined this criterion as that necessary for us to consider under the Code of Audit Practice in satisfying ourselves whether the PCC put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, the PCC had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Conclusion

On the basis of our work, having regard to the guidance issued by the C&AG in November 2015, we are satisfied that, in all significant respects, PCC put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Chief Constable of Leicestershire, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the Chief Finance Officer and auditor

As explained more fully in the *Statement of Responsibilities for the Accounts* set out on page 7, the *Chief Finance Officer* is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16, and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from

material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Chief Constable of Leicestershire circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Chief Finance Officer; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Financial Report 2015/16 to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. - we issue an advisory notice under Section 29 of the Local Audit and Accountability Act 2014; or
- we make an application for judicial review under Section 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects

Conclusion on the Chief Constable's arrangements for securing economy, efficiency and effectiveness in the use of resources

Chief Constable's responsibilities

The Chief Constable is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor's responsibilities

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The Code of Audit Practice issued by the National Audit Office (NAO) requires us to report to you our conclusion relating to proper arrangements.

We report if significant matters have come to our attention which prevent us from concluding that the Chief Constable has put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Chief Constable's arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

Scope of the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We have undertaken our review in accordance with the Code of Audit Practice, having regard to the guidance on the specified criterion issued by the Comptroller and Auditor General (C&AG) in November 2015, as to whether the Chief Constable had proper arrangements to ensure it took properly informed decisions and deployed resources to achieve planned and sustainable outcomes for taxpayers and local people. The Comptroller and Auditor General determined this criterion as that necessary for us to consider under the Code of Audit Practice in satisfying ourselves whether the Chief Constable put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2016.

We planned our work in accordance with the Code of Audit Practice. Based on our risk assessment, we undertook such work as we considered necessary to form a view on whether, in all significant respects, the Chief Constable had put in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources.

Conclusion

Dear Stephen

Office of the Police and Crime Commissioner for Leicestershire Police and Group – 2015/16 Letter of Representation

This letter of representations is provided in connection with your audit of the consolidated and single entity financial statements of the Police and Crime Commissioner for Leicestershire Police (PCC and Group) for the year ended 31st March 2016. We recognise that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion as to whether the consolidated and single entity financial statements give a true and fair view of the PCC and Group financial position of the Police and Crime Commissioner for Leicestershire Police as of 31st March 2016 and of its financial performance and its cash flows for the year then ended in accordance with the CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.

We understand that the purpose of your audit of our consolidated Group and PCC single entity financial statements is to express an opinion thereon and that your audit was conducted in accordance with International Standards on Auditing, which involves an examination of the accounting system, internal control and related data to the extent you considered necessary in the circumstances, and is not designed to identify - nor necessarily be expected to disclose - all fraud, shortages, errors and other irregularities, should any exist.

Accordingly, we make the following representations, which are true to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves:

A. Financial Statements and Financial Records

1. We have fulfilled our responsibilities, under the relevant statutory authorities, for the preparation of the financial statements in accordance with, for the Group and PCC, the Accounts and Audit Regulations 2015 and CIPFA LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2015/16.
2. We acknowledge, as members of management of the Group and PCC, our responsibility for the fair presentation of the consolidated Group and PCC single entity financial statements. 5. There are no unadjusted audit differences identified during the current audit and pertaining to the latest period presented.

B. Fraud

1. We acknowledge that we are responsible for the design, implementation and maintenance of internal controls to prevent and detect fraud.

2. We have disclosed to you the results of our assessment of the risk that the consolidated Group and PCC single entity financial statements may be materially misstated as a result of fraud.

3.
