DECISION OF POLICE AND CRIME COMMISSIONER

Date:2/8/22

Officers present:

Received in OPCC Date:2/8/22

OPCC Ref:EXE0019-22

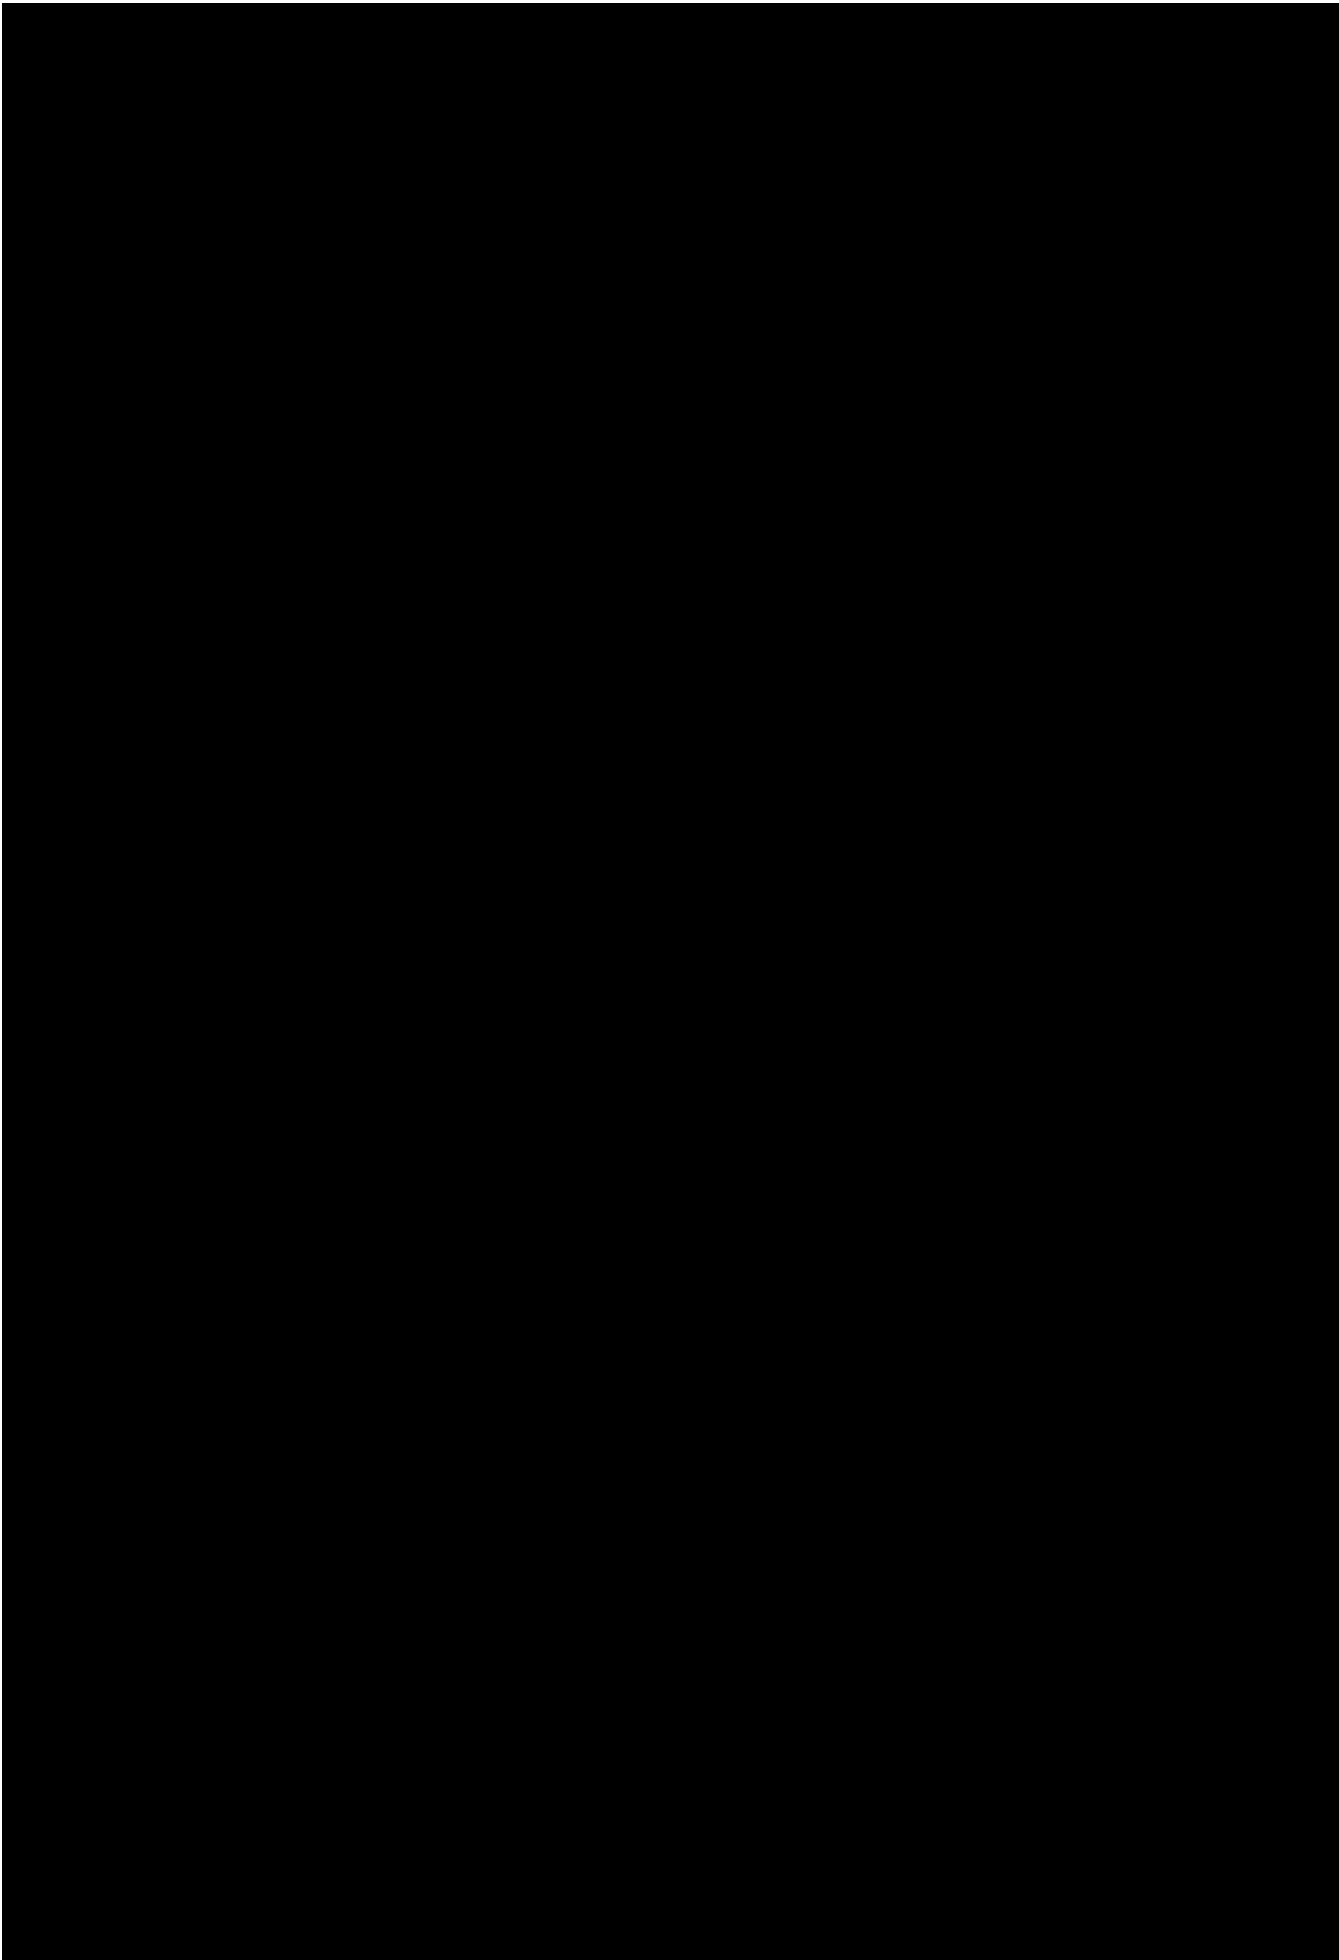

Title: Firearms Force Headquarters

Summary of issue:

The Firearms Department require additional space in the existing firearms building at FHQ. This includes enlarging the locker room because of the increase in kit that each officer now has, and resolving the issue of overcrowded office space.

The proposed work involves extending into the under-croft between Firearms and the Academy, converting the existing firearms classroom, office space, canteen, and enlarging the female locker room. All the lockers in both the male and female locker rooms will be replaced with larger bespoke lockers to house the additional kit.

Estates have estimated the cost of the work at around £400K. Funding of £500k was approved by the PCC as part of the Capital Programme for 22/23, thereby potentially realising a saving £100K.

Recommendations presented:

A decision is requested to approve the new option indicated above.
