5/17 **Property Rationalisation**

The Panel received a detailed presentation on the Property Rationalisation Project by Mr Jez Leavesley, Property Project Manager. A copy of the presentation is circulated with these minutes.

A number of queries and questions were raised during the presentation which were responded to by Mr Leavesley and Mr Bannister.

Mr Dundas queried whether there were any worrying findings from Operation Halo or if there were any specific trends in respect of equipment types. Mr Leavesley replied that whilst there had been some persistent offenders in respect of property, there were no worrying trends highlighted from Halo, nor were there trends in equipment. Seized property mainly related to evidential items and were across the Board.

Mr Bannister advised the Panel that in respect of seized property, the administrative arrangements discussed at a previous JARAP meeting in respect of sensitive items had been prioritised and resolved.

The Chair queried the role of Mr Leavesley in the project and Mr Leavesley advised his role included troubleshooting and setting up of the new team and when he completes the project he will be giving assurances on the processes and arrangements.

As Mr Leavesley was in attendance, the Chair then invited questions on the Seized and Found Property Internal Audit Recommendations as detailed within Paper B attached:

The Chair advised that following Mr Leavesley’s presentation, he felt that some of the responses to the Internal Audit Recommendations and Tracking had undersold the work being undertaken by the Property Project and sought fuller responses in this area moving forwards which did reflect the significant progress in this area.
The Panel then brought forward a discussion on property actions included later in the Agenda.

**Internal Audit Recommendations and Tracking**

The following outstanding Internal Audit Recommendations and Tracking actions were discussed at this point in the meeting from Agenda Item 7/17:

**Page B1/2** – Mr Leavesley confirmed that the relevant staff training had taken place and this recommendation could be closed.

**Page D14** – Mr Prince asked specific questions in relation to safe keys and security and Mr Leavesley responded to these. Mr Prince asked for annual review of keys and access which Mr Leavesley agreed to consider further as part of the ongoing work. Mr Leavesley advised that whilst the permanent stores access had been resolved, there was still work to do in respect of temporary stores. This action to remain open.

**Page D15** – The Panel discussed that this update did not reflect that the work had been completed and asked for this to be clarified in the next update to the JARAP. This action to remain open.

**Page D16** – Keep Open

**Page D17** – The Panel felt that both the update and the discussion at the meeting gave sufficient information to close this action.

**Page D18 and D19** - The Panel felt that both the updates and the discussion at the meeting gave sufficient information to close these actions.

**Page D20** – Keep Open

**Page D21** - The Panel felt that both the update and the discussion at the meeting gave sufficient information to close this action.

Mr Prince sought clarification on the KIM milestones and Mr Leavesley agreed to provide a high level update to the Panel members on them.

**ACTION: Mr Leavesley to provide a high level update to the Panel members on the KIM milestones.**

Mr Prince asked what arrangements were in place to ensure big issues and risks did not happen during the review period. Mr Bannister explained that processes had been put in place to ensure that Risks were mitigated as far as possible to accept them.

Mrs King advised that the PCC was taking a keen interest in this area and that Mr Leavesley had provided him with a site visit of Keyham Lane stores and regular information, further supported by discussion and investment at the Change Board.

The Panel noted the significant progress in this area and thanked Mr Leavesley for his detailed and thorough presentation.

The Panel then returned to the Agenda order.
**6/17 Internal Audit Progress Report**

The Panel received a report from the Head of Internal Audit providing a summary of progress against the Internal Audit Plan 2016/17. A copy of the report marked ‘A’ is filed with the minutes.

Mr Welch introduced the report and updated the Panel for which new reports had been issued: Core Financial Systems, the Victims Code of Practice, the ICT Review, and Regional Collaboration Audits for the Shared Human Resource Service Centre and the East Midlands Strategic Commercial Unit.

Mr Welch also advised that the audit plan for the year was almost complete. The final Leicestershire audit report is in draft and receiving comments and in respect of Regional Collaborations, the EMSOU Audit was just been finalised and the EMOpSS fieldwork has been completed.

Mr Dundas queried whether staff interviews from Victim First had been included in the Audit fieldwork as he felt staff interviews should form part of the fieldwork. Mr Welch was unsure but Mrs King advised that the Terms of Reference did not include auditing of Victim first as this was a service being delivered under contract to deliver PCC responsibilities whereas the audit was focussed on the Force compliance with the Victims Code.

Mr Dundas advised that it may be appropriate for him to discuss his query further with Mr Welch and Mrs King at a later stage. Mrs King and Mr Welch are open to receiving any input Mr Dundas wishes to share in this regard.

Mr Pulford queried why the report did not include the detail in respect of the Regional Collaboration Legal Services and Mr Welch clarified that it had been included in the December JARAP update.

**ACTION: Mrs King to recirculate the December 2016 Internal Audit Progress Report to members.**

Mr Welch advised that the final progress report for 2016/17 will include the outstanding reports and at the June meeting he will provide a copy of the Internal Audit Annual Report for 2016/17 in addition to the Progress Report.

The Panel NOTED the contents of the report.

**7/17 Internal Audit Recommendations and Tracking**

The Panel received a joint report from the Chief Constable and Chief Finance Officer providing update progress responses from business owners and external auditors Baker Tilly and Mazars for the period 2013-2017. A copy of the report marked ‘B’ is filed with the minutes.

Mr Bannister introduced the report and the Chair took comments. Actions completed as detailed within the report are as follows:

**B1/2, D14-D21** – As detailed within 5/14 above

**D3** - Proposed recommendation closed – no issues raised

**D4** – Mr Pulford queried whether the Payroll Manual had been finalised and Mrs King and Mr Dawkins confirmed they had been advised that Payroll actions had been completed. Mr Welch confirmed that Payroll had been audited in 16/17 and no issues had been identified. Proposed recommendation closed.
D5 – Keep Open

D6 – Keep Open

D7/D8/D11 - Proposed recommendations closed – no issues raised

D12 – Keep Open

D22 – Recommendation 4.3 – Mr Pulford queried the types of information and where it is considered. Mr Bannister advised that complaints information is publicised by the IPCC and shared with the PCC regularly at SAB. Mr Pulford asked for a little more detail to be added to this recommendation then it can be closed.

**ACTION:** More detail to be added to the February update for D22, recommendation 4.3 then this recommendation can be closed.

D22 – Recommendation 4.2 - Mr Pulford advised that this recommendation could also be closed.

D23 – Recommendations 4.6 and 4.7 – Keep open

D24/D25 - Proposed recommendations closed – no issues raised

D26 – Keep Open

D27 – recommendation 4.2 - Proposed recommendation closed – no issues raised

D27 – recommendation 4.3 – Keep Open

D28 – 4.4 and 4.5 - Proposed recommendations closed – no issues raised

D28 – recommendation 4.1 – Keep Open

D29 – Recommendations 4.2, 4.3, 4.4 and 4.5 – Keep Open

D31 – Recommendations 4.1, 4.2, 4.3 and 4.4 – Keep Open

Mr Dundas raised queries regarding Recommendation 4.3 and “Track my Crime” which Mr Bannister answered.

The Panel NOTED the contents of the report.

8/17 **Internal Audit Plan 2017/18**

The Panel received a report from the Head of Internal Audit providing a draft Internal Audit Plan for 2017/18. A copy of the report marked ‘C’ is filed with the minutes.

Mr Welch introduced the report and notified the Panel that the Plan had been drafted in discussions with Mr Dawkins and Mrs King and with colleagues from Northants and Nottinghamshire to ensure good coverage and congruence from Internal Audit Plans. This would maximise the opportunity to share learning points and good practice.

Mr Welch raised the suggested inclusion of Audit Committee Effectiveness and explained how this had worked in other areas. The Panel were keen to undertake this and the Chair
suggested it is linked in to the member Appraisal day, currently booked for May 2017. This would move the audit into Q1.

Mr Prince confirmed he is not available on the May date and Mr Welch agreed Mr Prince could still undertake the questionnaire which is usually distributed two weeks before the meeting takes place.

**ACTION: Mr Welch to discuss arrangements to undertake the Audit Committee Effectiveness Audit in May 2017 with Mrs King and the Chair.**

The Panel queried whether Seized and Found property should be moved later in the programme and Mr Welch agreed to move this to Q3. Mrs King also offered to move Commissioning forward to Q3 and Mr Welch will review the timescales within the Plan.

The Panel queried whether Seized and Found Property had been considered regionally as a collaboration. Mrs King advised that all Forces were in different positions with their Property Stores but assured the Panel that Options considered by the Force in the Change Board and discussed with the PCC included reference to Regional Collaboration. However, there is little appetite across the Region to progress this in isolation of other Regional Collaborations at this point. The Panel would be advised if the operational drivers for this changed.

Mr Bannister asked about the Counter Fraud audit and Mr Welch advised this was on all 3 plans for Leicestershire, Nottinghamshire and Northamptonshire and he would ensure the Terms of Reference were shared with Mr Bannister as there is significant operational work in this area.

**ACTION: Mr Welch to review and amend the audit timescales in the 2017/18 Plan.**

**ACTION: Mr Welch to share the Terms of Reference of the Counter Fraud audit with Mr Bannister when it is drafted.**

The Panel APPROVED the Internal Audit Plan for 2017/18.

### 9/17 External Audit Progress Report

Discussion on this Agenda item was linked in to the discussion on the External Audit Plan at Item 10/17 on the agenda.

### 10/17 External Audit Plan

The Panel received a report from the Head of Internal Audit providing a draft Internal Audit Plan for 2017/18. A copy of the report marked ‘C’ is filed with the minutes.

Mr Sohal introduced the report and notified the Panel that the Plan had been drafted in discussions with Mr Dawkins and Mrs King. Mr Sohal highlighted risks and the early discussions with Management on the Accounts work. Mr Sohal also discussed the VFM Assessment and highlighted no significant risks to report from the Interim and Planning work and he would be confident that a satisfactory VFM assessment would be likely.

In a response to a question by Mr Millet regarding the impact of any changes by the PCC in terms of priorities on the VFM assessment, Mr Sohal advised that these would be considered as part of the VFM audit work.

The Panel APPROVED the External Audit Plan.

### 11/17 Risk Register
The Panel received a joint report from the Chief Constable and the Police and Crime Commissioner providing information about the corporate risk register, highlighting high priority, newly registered and risks of note. A copy of the report marked ‘E’ is filed with the minutes.

Mr Bannister introduced the report and the Chair took questions as follows:

**STR 1953** – Page E8 – Mr Dundas asked for a Broad estimate of the HAY work to assess the financial impact of the Risk. Mr Dawkins replied that this work was ongoing, however, early indications showed that the net cost may be significantly lower than what was budgeted for in the 2017/18 accounts. Mr Dundas sought assurance on morale and Mr Dawkins advised that the unions were supportive of this piece of work and that usual HR policies in respect of protected salaries would apply for those staff whose roles were graded lower.

**STR1679** – Page E4 – Mr Prince sought clarification on the work carried out by the in-house Internal Audit Team which Mr Bannister responded to. In response to a question by Mr Pulford regarding where the Force are on data recording compared to other Forces and how the 83% assessment compared, Mr Bannister advised that the HMIC will be auditing this area in April 2017 and will give both a HMIC assessment for Leicestershire and nationally once the work has been concluded.

**STR1948** – Page E6 – Mr Prince queried what happens if the one node goes down and if there is a Plan how long it would take to return online. Mr Bannister advised that one node does create vulnerability and whilst there are Plans, the time online would depend on the nature of the incident, hence a second node was essential.

**STR1946** – Page E9 – Mr Prince asked if the local gap analysis referred to in the detail of the risk will be time bound. Mr Bannister advised that this will be completed as soon as is practicable.

**STR1949** – Page E9 – Mr Prince asked if other Forces nationally have this issue and Mr Bannister advised that those using NICHE do but work is progressing to resolve this.

**STR1940** – Page E12 – Mr Pulford queried the 101 call handling target and asked if the target was still 30 seconds. Mr Pulford asked if this was calculated against the national target and Mr Bannister explained that it was the Force’s own set aspiration.

Mr Pulford asked if this was worked out on a percentile of calls answered. The DCC explained that it was all about tolerance and said that the Force does not need to measure against the national target as the Force know that there were 1,200 calls which took between 12-15 seconds, and 821 which took 15-17 seconds and explained that some national data was misleading which throws out the average figure.

The Panel NOTED the contents of the report.

12/17 **Force Meetings**

Mr Bannister introduced a verbal discussion on Force meetings with the Panel and referred to the list of internal Force meetings circulated with the Agenda.

Mr Bannister advised that the Force wished to have an “open door” policy with JARAP members for Force meetings and evidenced meetings such as PDG where this attendance had proven useful and informative in the delivery of their JARAP roles.
Mr Bannister explained that the meeting he and Mrs King felt would not be appropriate for Member attendance was the Strategic Assurance Board. In respect of other meetings, Mr Bannister asked for members to coordinate which ones they wished to attend and to advise Teresa Wilcox with plenty of notice outlining the meeting they wish to attend and the objectives for doing so.

**ACTION:** Members to consider the Force meetings list circulated with the agenda and to advise Teresa Wilcox at an early opportunity if they wish to attend a meeting and their objectives for doing so, to ensure appropriate and timely arrangements can be made.

Mr Dundas queried whether the Victim Code of Compliance Group could be added to the list of Force Meetings and Mr Bannister agreed to consider this and add if appropriate.

**ACTION:** Mr Bannister to consider whether Victim Code Compliance Group should be added to the list of meetings and if so to do so and recirculate the list on meetings to members.

The Panel NOTED the oral report.

**13/17 JARAP Terms of Reference Annual Review**

Mrs King introduced the report and DRAFT revised Terms of Reference and advised this was the annual review which takes place. A copy of the report marked “F” is filed with the minutes.

This year’s proposed amendments were not significant and incorporated the lessons learned from the Chair and member recruitment currently underway and the practical experience of the appointment into a second term on the JARAP.

Mrs King highlighted that prior to the meeting, members had suggested a few amendments and Mrs King had noticed the need to amend Fraud and Corruption to every two meetings rather than every meeting as stated in the Terms of Reference.

Mr Dundas queried whether an “in–extremis” clause should be included and Mr Prince queried whether the missed meetings of two per year should be set specifically as calendar or rolling.

The Chair asked for members last comments to be forwarded to Mrs King by close of play on the 17/3/17. Mrs King would then finalise them for inclusion in the JARAP Chair and Member Recruitment Pack.

**ACTION:** Members to circulate comments on the Terms of Reference to Mrs King by close of play on the 17/3/17.

The Panel NOTED the report.

**14/17 Procurement – National Zanzibar Update**

Mr Dawkins introduced the report. A copy of the report marked “G” is filed with the minutes.

Mr Dawkins highlighted to members how the National Zanzibar project had been ongoing for some years and that Forces had previously been required to contribute the sum of £25K towards this.
Mr Dawkins reminded members that the national process had not been useful, however, he was pleased to advise that the Home Office now concurred with this view, a refund had been obtained and the project had closed.

The Panel NOTED the contents of the report.

**ACTION: A copy of the Zanzibar letter to be circulated with the minutes.**

15/17 **Matters to Refer to the Ethics, Integrity and Complaints Committee**

Mr Bannister advised that he works closely with Angela Perry, Deputy CEO OPCC and is happy to take any referrals required.

The Panel did not highlight any issues or items to be referred to the Ethics, Integrity and complaints Committee from this meeting.

Mr Dundas reminded the Panel that he was the link with the Ethics Committee and that annual plans were shared and an annual meeting took place.

The Panel NOTED the verbal discussion.

16/17 **Items for Next Meeting**

Mr Prince advised that he had attended the health and Safety Committee and had highlighted some areas which he would email to Mrs King to bring to the attention of the OPCC.

**ACTION: Mr Prince to provide an update on his considerations from the H&S Committee to Mrs King**

No further items were noted.

17/17 **Date of Next meeting**

The Chair confirmed the next meeting was the Member appraisal and now Audit Committee Effectiveness meeting in May 2017.

The Chair and Mrs King had taken an action to liaise on this earlier in the meeting.
