Mr Lunn also pointed out that the fieldwork for Business Continuity and Health and Safety audits are ongoing, and will be looking at these in the upcoming weeks.

Mr Lunn confirmed that they are on track with their targets and invited the panel to ask questions.

The panel members raised concerns on the budget control and queries were made about the fact that the handbook was going to be reviewed in December 2019. Mr Dawkins provided clarity that it is not the handbook which is being reviewed it is the Governance Framework. It was mentioned that this framework has not been reviewed for 5 years. Ms Hughes is leading on this work which is almost complete. Mr Dawkins highlighted that once finalised, it will then be circulated to key Stakeholders.

**Action:** Mr Dawkins to circulate the Governance framework to JARAP members for comments.

The panel members also asked a question around Core Financials and Fraud in terms of the new suppliers. The question was asked if the suppliers be audited. Mr Dawkins clarified that there have been antifraud controls in place for some time and confirmed that the controls which are in place are as good as we can currently get. It was highlighted that Mr Wenlock provided an update on Fraud during the last meeting in October 2019.

Mr Dawkins confirmed Leicestershire Police have a process in place which is followed for all payments made.

07/20  **External Audit Progress Update 35.20**

The panel received a verbal update from Mr Harris on the External Audit Progress report and provided wider context about what is happening within the profession at the moment with regards to the delivery of external audits (resource constraints with suppliers).

It was highlighted that the end of July 2020 deadline is not a statutory deadline, but there is, however, a publication deadline.

The plan was originally to deliver the Leicestershire audit before the end of July 2020. Mr Dawkins expressed his concerns that he doesn’t feel they have the resources in place for this year’s audit with the pressures faced. The question was then asked if we have the resources available in Leicestershire to allow a reasonable timeframe for the audit. It was confirmed by Mr Harris that it is not likely to be July, but they expect it to be completed in September.

08/20  **Risk Register**

The panel received a report from Mr Jones on the Risk Register. The report marked ‘D’ is filed with the minutes.

It was agreed that Mr Jones would go through the paper with the panel as they may not have had chance to go through it prior to the meeting. **Maintaining Workforce Wellbeing (STR0016)**

Mr Dundas queried why the sickness days for Police Officers have decreased but staff sickness has increased. Rob Nixon informed the panel that this could be stress related or possibly due to staff being on long term sick. It was also highlighted that in certain areas of the Force, pre-screening now in place due to the nature of the role and what they may be exposed to.

Mr Dundas proposed that figures are provided with an average/mean number.

**Action:** Mr Jones agreed that average/mean numbers will be included within the next report
