6. Communication

AP asked if JN could provide a more detailed report for the website, explanation of the cases in depth (as much as can be disclosed to the public and press releases), how the process works, how we reach our decisions and what happens next.

Also more detail in the table included within the minutes for the group.

AP asked if the group about their consideration around MOB Trails, AMOB taking to their Youth Committees and getting their reactions for the cases. Holding Roadshows and holding mock trials finding out what be their decision and how they would make these.

7. AOB

- Andy Cook asked again for breakdown of data into ethnicity. This is not an unreasonable request and members of the public could ask for this under FOI request. This has been requested previously. JN apologised for the delay and would make further enquiries around getting this data for the next meeting.
- Legal Advisors – enquired if the OOC Disposal was putting a delay in young cases going to court, or is there anything in the process that could delay cases going to court - as they had noticed a reduction.
- Andy Cook – Old cases i.e.: 9 month old cases coming to court – why is there a delay, is it due to Postal Requisition that it has a delay coming to court? - JN to make enquiries and update Andy.
