Appropriate Adult (waiting 2+ hours)		This custody report does not relate to a juvenile or vulnerable adult so no AA was required.
Healthcare Practitioner requested	Says has high blood pressure	On the risk assessment it does say the detainee has high blood pressure, but that does not constitute to a automatic referral to the HCP. On the custody sergeants observation it does not indicate that the detainee needs to see the HCP or has requested to see them
Other	Treatment upon arrest wants to complain	DP will have to speak to his solicitor to lodge a complaint or go on to Leicestershire Police/ IOPC website to do this now.

Phone call requested but not provided		The record has been checked and the detainee was allowed to speak on the phone at 21:00.
Phone call requested but not provided	Wants to make a personal call about business	
Replacement clothing not provided	Wants socks	We do have socks in custody but there is no log to indicate he requested them or they were given to him.
Shower not offered (if detained for 24+ hrs)		Detainee had a shower at 20:15.
